# Student Representative Manual

1. Homepage

- A shared landing page for all users after login.
- Displays a personalized welcome message.
- Shows a list of contributors involved in system development

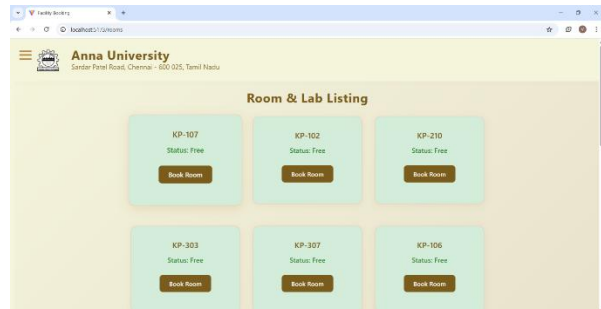

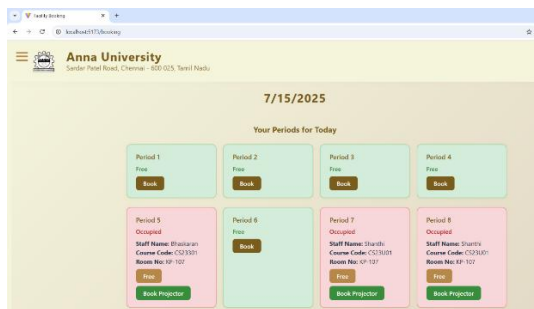

2. Sidebar Navigation

- Sidebar options are dynamically loaded based on the user's role

3. Facility Booking

- Select a time period from the timetable.
- Available periods are shown in **green**, while booked periods appear in **red**.
- Choose a **Classroom** or **Lab**.
- Select a **Subject** from the dropdown menu.
- Click **Book** to reserve the slot.

Projector Booking

- After a period is booked, select **Book Projector**.
- Choose a projector from the available list.
- Confirm booking.

Freeing Booked Periods

To release a booked slot, click the **Free** button associated with that period.
